DEMOLITION PERMIT REQUIREMENTS

APPLICANT NAME:		DATE:			
PROPERTY ADDRESS:					
GENERAL					
<i>Remember, this is meant to be a helpful guide, not a comprehensive list.</i>					
<i>Permit applications and inspection requests can be made online by visiting https://millcreekUT.gov/165/Building-Department</i>					
<i>Please visit the Utah Department of Air Quality for more information about demolition requirements. demolition.utah.gov</i>					
<i>Note the total project cost on the application. This must include labor and materials.</i>					
<i>Dumpsters, restrooms, and material storage shall be kept on the property and off city streets, sidewalks and adjacent properties. Dumpsters can be stored on the street for a maximum of one week by obtaining a dumpster encroachment permit from the Public Works Department. Please visit https://millcreekUT.gov/174/Encroachment-Agreement</i>					
<i>Refer to https://millcreekUT.gov/165/Building-Department for more information and documents. (i.e. Apply for a permit, request an inspection, adopted construction codes, forms and links, climate and geographic design, and FAQ's)</i>					
<i>Is the property within FEMA Floodplain Zones A, AE, AO, or an Alluvial Fan? (click on Flood Plain layer within the Geological Features Map) Always identify floodplain on cover sheet of plans and reference source, elevations, and obtain any floodplain permits required.</i>					
<i>Is the property identified as a historic structure or located in a historic district? (click on the Historic Parcels Dec 2022 layer in the Planning and Zoning Public Map) Always identify historic parcels on cover sheet of plans and reference source, elevations, and obtain required planning and zoning approval.</i>
